

Approved For Release 2000/08/10 : CIA-RDP96-00787R000200100001-0
Ken is going to give the DCI a summary of the ESP research done for OTS in years past. Set this up through Jennifer F at whatever time and date is convenient to the DCI. I want to talk to Ken and dry run the briefing before it is given. Have Ken pass the DCI memo on his conversations with Mitchell to OSI.
